11 THE START

11.1 Races will be started using RRS 26 with the following change: There will be a one-minute gap between the Spinnaker division start signal and the JaM division warning signal:

- Spinnaker division warning 1030 start 1035
- Jib & Main division warning 1036 start 1041

11.2 The starting line is between a staff displaying an orange flag on the signal vessel at the starboard end and the course side of the port-end starting mark.

11.4 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other boats.

11.5 If any part of a boat’s hull is on the course side of the starting line during the two minutes before her starting signal and she is identified, the race committee will attempt to broadcast her sail number on VHF channel 72. Failure to make a broadcast or to time it accurately will not be grounds for a request for redress. This changes RRS 62.1(a).

11.6 If any part of a boat's hull is on the course side of the starting line at her starting signal and she is identified the race committee will attempt to hail her sail number. Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a request for redress. This changes RRS 62.1(a).

11.7 A boat that does not start within ten minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.

14.3 If the race committee is absent when a boat finishes, she shall report at her first reasonable opportunity her finishing time in local universal time, in hours/min/sec, when the course side of the finishing mark is abeam of the boat's mast, leaving the mark on the proper side.
