9.0 MARKS

9.1 Marks used in LCYC races are described in (<http://lcyg.info/racing/documents>).

10 THE START

10.1 Races will be started using RRS 26 with the following change: There will be a one-minute gap between each start signal and the following warning signal:

- Spinnaker division warning 1030 start 1035
- Jib & Main division warning 1036 start 1041

10.2 The starting line is between a staff displaying an orange flag on the signal vessel at the starboard end and the course side of the port-end starting mark.

10.3 Following a long postponement the orange starting line flag will be displayed with 4-5 short blasts at least four (4) minutes before the AP is lowered.

10.4 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other boats. The starting area consists of a rectangle defined by the starting line plus its extension 150 feet beyond each end and 150 feet on the non-course side of the start line.

10.5 If any part of a boat's hull is on the course side of the starting line at her starting signal and she is identified the race committee will attempt to hail her sail number. Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a request for redress.

10.6 A boat that does not start within ten minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.

10.7 General Recall: General recalls will be signaled in accordance with Racing Rule 29.2

11 THE FINISH

11.3 Each boat should notify the Race Committee on VHF 72 upon nearing the finish area. The Race Committee will then shine spotlight between the orange flag of the Race Committee boat and the finish mark until the boat crosses the finish line. After the boat finishes, the Race Committee may illuminate the boat's sail number to confirm its identification.

11.4 If the race committee is absent when a boat finishes, she shall report at her first reasonable opportunity her finishing time in local universal time, in hours/min/sec, when the course side of the finishing mark is abeam of the boat's mast, leaving the mark on the proper side. Should the race committee not be available directly, reporting should be made via email to scorer@lcyg.info.
