

Lake Champlain Yacht Club Steve Landau Memorial Scholarship Application

Summer 2022

The Steve Landau Memorial Scholarship was established in 2011 in memory of long-time Lake Champlain Yacht Club board member and sailor, Steve Landau. While he did not learn to sail until he was an adult, he treasured his sailing experiences and encouraged youth to gain their sea-legs early in life.

This scholarship is intended to provide a Shelburne-area youth full tuition to attend a two-weeks of half-day sailing camps or one week of a full day sailing camp. Please note that camp sessions fill up quickly and are first-come first-serve. Every effort will be made to accommodate the scholarship winner in their preferred session. Early registration is encouraged.

Applicants should submit a registration form for two weeks of half-day sailing camp sessions or one week of a full day session found at www.lcyc.info along with this attached scholarship form.

I/My child show(s) a keen interest in learning to sail and would not be able to attend Lake Champlain Yacht Club junior sailing camp without complete financial assistance. I understand that only one scholarship is awarded per year per child and will commit fully to honoring Mr. Landau's memory with regular and active camp attendance.
